The administration has been unable to reduce services within adult health and social care amid pressures arising from the cost-of-living crisis. There will be an increase of 2% in this area as part of the overall increase of 4.99%.

The contract for substance misuse services commissioned by the County Council is due to be transferred to an alternative provider. Further information is available on the County Council website.

Highways are seeing high numbers of deteriorating roads across the County with

potholes and sinkholes. Residents should be aware that a closure will be exercised along the A53 which is scheduled to last for 44 weeks – but it is hoped these works will be expedited. There has been no contact with HS2 Ltd to ascertain whether they will be pulling out of the pledged community projects which had already been awarded funding.

b. Newcastle-under-Lyme Borough Council

A decision was announced this morning on a planning application at Furnival's Farm – 23/00959/FUL – which was seeking amendments to site location plans.

INTERNAL AUDIT SERVICED FOR LOGGERHEADS PARISH COUNCIL 2023-2026 - ENGAGEMENT PROPOSAL

Dear Mr. Minshall,

Thank you for your email of 29th November requesting that I provide a quote and engagement proposal for conducting an internal audit of Loggerheads Parish Council for the 2023/24, 2024/25 and 2025/26 financial years. I also wish to thank the Council for appointing me as their Internal Auditor for the previous financial year. As you have requested, I write to offer my services to conduct an end of year audit for the financial years 2023/24, and an estimate for the financial years 2024/25 and 2025/26.

As you will be aware, in accordance with the Local Audit and Accountability Act 2014 and the Accounts and Audit Regulations 2015, following the conclusion of the financial year on 31st March each year, smaller authorities are required by law to complete their Annual Governance and Accountability Return (AGAR). All smaller authorities with financial transactions within the financial year must appoint an Internal Auditor to submit an Annual Internal Audit Report on the financial and governance arrangements of the Council within the financial year using either Form 2 or Form 3 of the AGAR, dependent upon whether the higher of gross income or gross expenditure was greater than £25,000.

The Annual Internal Audit Report is written upon the basis of an assessment of risk, carried out a selective assessment of compliance with the relevant procedures and controls in operation, evidenced by obtaining appropriate evidence from the authority. Guidance on the processes recommended for Internal Audit are detailed in the Joint Panel on Accountability and Governance's "Practitioner's Guide", published annually.

It is upon this basis that I write to you to offer my services to conduct an Internal Audit for the Parish Council. Throughout all of my work, I have been committed to promoting good practice in the financial and governance arrangements of our public sector and public-facing organisations. I have been a Parish Councillor for a number of years on three East Staffordshire Parish Councils, and currently sit on the Staffordshire Parish Councils Association's Executive Committee and I am honoured since 2022 to have been appointed its Vice President. I have been Responsible Financial Officer and Clerk to multiple Staffordshire-based Parish Councils, and currently hold the role of Clerk and RFO for a Council in Lichfield. I have provided locum services as Clerk assist as a panel assessor for the Local Council Award Scheme, and have supported a number of new Clerks into their role across Staffordshire, and I am looking at increasing this capacity to support Councils to uphold the highest financial and governance standards in our local councils in the role of Internal Auditor. I also work for Staffordshire County Council, and have held many positions of financial responsibility in charities and other public-facing organisations. I am also a member of the Internal Audit Forum professional body

ensuring a high standard of internal controls review is undertaken, and work nationally as a member of the forum's Standards Committee which has been convened to lobby for legislative changes to ensure the quality of internal audits nationally remains high.

I would expect to cover the following areas in my Interim and Annual examinations in accordance with the recommended practice set out in the Practitioner's Guide 2023 and any subsequent revisions:

- Proper Bookkeeping
- Financial Regulations, Standing Orders and Payment Controls
- Risk Management and Insurance Arrangements
- Asset Control
- Payroll Controls
- Income, Expenditure & Budgetary Controls
- Petty Cash Procedures (where applicable)
- Bank Accounts and Reconciliations
- Financial Year End Procedures
- Transparency Code and Website Conformance

In carrying out the role of Internal Auditor, I would expect to make a minimum of two visits to the Council's offices. This includes an Interim visit to examine compliance to assist with preparation for the end year, typically conducted between October and January at the Council's discretion. This would comprise of an examination of precept calculation and budget monitoring, as well as examination of Council procedures and a sample check of transactions. Advice will also be offered where practices can be improved. Throughout the process, I reserve the right to seek technical advice elsewhere if required. In these cases, questions would be asked in confidence and at no additional cost to the Council, unless agreed prior. The Interim Audit is expected to last no more than two hours. Should the Council wish to request an extended Interim visit, or further visits, these would incur additional charges at the rate set out in the attached quote. The Annual Internal Audit would be conducted between April and June, and would be expected to last no longer than three hours.

I have been requested to provide a quote for Internal Audit Services for the financial years 2023/24, 2024/25, and 2025/26, which I have included below. I note that I have fixed the prices from my estimated quote of 31st July 2023 in the above at the request of the Council. I hope in accommodating this request, that this quote is satisfactory to the Council. If the Council instead wish to consider a proposal for a single year, I am happy to submit another quote to meet the Council's requests.

Should you have any questions regarding my engagement proposals, or in respect to any part of this communication, please do not hesitate to contact me.

Yours sincerely,

Mr. Lewis Anderson BA

N.B. I wish to pass on my congratulations to Mr. Minshall for recently attaining the Certificate in Local Council Administration. A Council with a CiLCA-qualified Clerk is a testament to their commitment to safeguarding good governance and best practice throughout all of its operations, and qualified officers is an encouraging sign for the council and the sector as a whole, so I wish you all the best with the expertise that it confirms.

Notes:

I note that I have fixed the prices from my estimated quote of 31st July 2023 in the above at the request of the Council. I hope in accommodating this request, that this quote is satisfactory to the Council.

I also note that I would typically wish to see a Council make an appointment within the first half of the financial year so that the offer in my engagement proposal of advice and support to meet the audit standard can be fully utilised before the Interim Audit. It is reassuring that the Council are seeking to make a three-year appointment to allow for an Internal Auditor to be in place for the full length of the financial year in future years.

INTRODUCTION

This is version two of Model Standing Orders 2018 (England) updated in April 2022. Update to Model Standing Order 18 only.

How to use model standing orders

Standing orders are the written rules of a local council. Standing orders are essential to regulate the proceedings of a meeting. A council may also use standing orders to confirm or refer to various internal organisational and administrative arrangements. The standing orders of a council are not the same as the policies of a council but standing orders may refer to them.

Local councils operate within a wide statutory framework. NALC model standing orders incorporate and reference many statutory requirements to which councils are subject. It is not possible for the model standing orders to contain or reference all the statutory or legal requirements which apply to local councils. For example, it is not practical for model standing orders to document all obligations under data protection legislation. The statutory requirements to which a council is subject apply whether or not they are incorporated in a council's standing orders.

The model standing orders do not include model financial regulations. Financial regulations are standing orders to regulate and control the financial affairs and accounting procedures of a local council. The financial regulations, as opposed to the standing orders of a council, include most of the requirements relevant to the council's Responsible Financial Officer. Model financial regulations are available to councils in membership of NALC.

Drafting notes

Model standing orders that are in bold type contain legal and statutory requirements. It is recommended that councils adopt them without changing them or their meaning. Model standing orders not in bold are designed to help councils operate effectively but they do not contain statutory requirements so they may be adopted as drafted or amended to suit a council's needs. It is NALC's view that all model standing orders will generally be suitable for councils.

For convenience, the word "councillor" is used in model standing orders and, unless the context suggests otherwise, includes a non-councillor with or without voting rights.

A model standing order that includes brackets like this '( )' requires information to be inserted by a council. A model standing order that includes brackets like this '[ ]' and the term 'OR' provides alternative options for a council to choose from when determining standing orders.

1. RULES OF DEBATE AT MEETINGS

a Motions on the agenda shall be considered in the order that they appear unless the order is changed at the discretion of the Chair of the meeting.

b A motion (including an amendment) shall not be progressed unless it has been moved and seconded.

c A motion on the agenda that is not moved by its proposer may be treated by the Chair of the meeting as withdrawn.

d If a motion (including an amendment) has been seconded, it may be withdrawn by the proposer only with the consent of the seconder and the meeting.

e An amendment is a proposal to remove or add words to a motion. It shall not negate the motion.

f If an amendment to the original motion is carried, the original motion (as amended) becomes the substantive motion upon which further amendment(s) may be moved.

g A Councillor may move an amendment to their own motion if agreed by the meeting. If a motion has already been seconded, the amendment shall be with the consent of the seconder and the meeting.

h If there is more than one amendment to an original or substantive motion, the amendments shall be moved in the order directed by the Chair of the meeting.

i Subject to standing order 1(k), only one amendment shall be moved and debated at a time, the order of which shall be directed by the Chair of the meeting.

j One or more amendments may be discussed together if the Chair of the meeting considers this expedient, but each amendment shall be voted upon separately.

k A Councillor may not move more than one amendment to an original or substantive motion.

l The mover of an amendment has no right of reply at the end of debate on it.

m Unless permitted by the Chair of the meeting, a Councillor may speak once in the debate on a motion except:

i. to speak on an amendment moved by another Councillor.

ii. to move or speak on another amendment if the motion has been amended since they last spoke.

iii. to make a point of order.

iv. to give a personal explanation

n During the debate on a motion, a Councillor may interrupt only on a point of order or a personal explanation and the Councillor who was interrupted shall stop

speaking. A Councillor raising a point of order shall identify the standing order which they consider has been breached or specify the other irregularity in the proceedings of the meeting they are concerned by.

o A point of order shall be decided by the Chair of the meeting and their decision shall be final.

p When a motion is under debate, no other motion shall be moved except:

i. to amend the motion.

ii. to proceed to the next business.

iii. to adjourn the debate.

iv. to put the motion to a vote.

v. to ask a person to be no longer heard or to leave the meeting.

vi. to refer a motion to a committee or sub-committee for consideration.

vii. to exclude the public and press.

viii. to adjourn the meeting.

ix. to suspend particular standing order(s) excepting those which reflect mandatory statutory or legal requirements.

q Before an original or substantive motion is put to the vote, the Chair of the meeting shall be satisfied that the motion has been sufficiently debated and that the mover of the motion under debate has exercised or waived their right of reply.

r Excluding motions moved under standing order 1(p), the contributions or speeches by a Councillor shall relate only to the motion under discussion.

2. DISORDERLY CONDUCT AT MEETINGS

a No person shall obstruct the transaction of business at a meeting or behave offensively or improperly. If this standing order is ignored, the Chair of the meeting shall request such person(s) to moderate or improve their conduct.

b If person(s) disregard the request of the Chair of the meeting to moderate or improve their conduct, any Councillor or the Chair of the meeting may move that the person be no longer heard or be excluded from the meeting. The motion, if seconded, shall be put to the vote without discussion.

c If a resolution made under standing order 2(b) is ignored, the Chair of the meeting may take further reasonable steps to restore order or to progress the meeting. This may include temporarily suspending or closing the meeting.

Report Purpose:	Emergency Procedure in the event The clerk is unable to attend meetings
Version Control:	V1
Author(s):	Councillor A M Swetman

1. Report Summary

This procedure is intended to consider actions required should the Clerk be unable to attend meetings due to ill health, accident or worse.

2. Position

In the event the Clerk is unable to attend meetings the following considerations must be considered.

1. According to guidelines all Computer and Program logins along with Passwords should be in a sealed envelope and held by the Parish Council Chairman. The above envelope should only be opened in an emergency situation, as per above, and should only be opened in the presence of at least 2 councillors.

2.SPCA contact details and instructions on who to speak to with regard to getting a Locum Clerk so that LPC meetings may continue.

3.Instructions for who to contact in order for meetings to take place in the Fire Station.

4.Instructions on who to contact in order to access the Fire Station office in order to access Parish Council Files and Equipment.

5.Instructions on using the Back up Hard Drive in order to bring a replacement computer online in the shortest time possible.

3. Financial Impact

The financial impact is not easy to assess as this will probably be dictated by circumstances.

Considerations:

Replacement Computer and mobile phone, Costs incured by using a Locum Clerk. Longer term costs may include advertising for a New Clerk etc

4. Conclusions

It is concluded that an Emergency Procedure needs to be in place at the earliest opportunity and recent weather has only highlighted the urgency of this need.

5. Considerations Sought

- To consider the proposal to adopt an Emergency Procedure

Report Purpose: Fibre Communities Programme

Version Control: V1

Author(s): Cllr Beales/Cllr Love/Cllr Sedgley

1. Report Summary

The report outlines: Openreach are seeking community support in relation to their Fibre Community Programme (FCP). They have reached out to members of the community and requested support from the eligible Parish Councils as well as any additional exposure they can get via means of social media and websites. If successful in the current proposed area it could be rolled out into the surrounding areas.

2. Position

As this is an initiative needing support from the community and would be an improvement to current broadband infrastructure for some residents with future potential to reach the wider parish area

3. Financial Impact

The financial impact to the Parish Council will be none, the provider is simply seeking support to justify the costs.

4. Conclusions

It is concluded that this is something with no financial impact but would have a positive social and infrastructure impact and is something Loggerheads Parish Council should support.

5. Considerations Sought

- To formally respond to Openreach confirming the Council's support and potential exposure as an activity item on the LPC website/Facebook.
